Identify video examples of addressing challenging issues (firm ground)

Name		Date	
To complete this activity form electronically, remember to first save your file . If you need further assistance, see the Help & FAOs on pdfs.			

Instructions

- 1. View <u>Handout 4.2: Partnership-Oriented Practices: Observation Checklist, Part 3: Addressing Challenging Issues (Firm Ground).</u>
- 2. Watch <u>Video 4.7</u> and focus on the partnership-oriented practices of the teacher (Libby) conversing with a parent (Kim). Identify the practices related to addressing challenging issues you observe in the video using <u>Handout 4.2</u>, <u>Part 3</u> and follow the directions to record your responses.
- 3. View <u>Handout 4.3: Partnership-Oriented Practices: Observation Checklist, Part 3 Answer Key</u>. Compare your responses with the responses on the answer key.
- 4. If your responses differ significantly (by more than two check marks) from those on the answer key, watch the video clip again to identify practices that align with the answer key.
