Seeking and Verifying		
For the following items, make a check in the box each time you observe an examp	ole.	
Questioning	<b>///</b>	
Using different types of questions gives you information that helps to define preferences and strengths, as well as issues and concerns from the other's viewpoint.		
Silence	<b>√</b>	
Waiting patiently and quietly gives another person time to think before answering a question and lets the speaker know you want to hear from him or her.	•	
Clarifying and validating	11	
Restating the main message and asking if your understanding of what has been said is correct can help avoid misunderstandings.	•	
Summarizing	<b>√</b>	
Pulling together the main points of the discussion into a brief statement is a good way of obtaining closure.	•
