Assistive Technology Planning Tool

Learning or Participation Goal

What is currently happening?

What would you like to see happen?

Ideas for Assistive Technology

1. How can we change the environment?

2. What equipment can we provide?

3. How can we change the activity?

4. How can we change the materials?

5. How can we change the schedule?

6. How can we adapt the instructions?

Teaching Strategies

How will you support the child in using AT? (e.g., modeling, hand-over-hand assistance)
